Midterm 1 Information

- The first midterm will be on Friday, 7 Oct 2005, from 1:10–2:00 p.m.

- The exam will cover all lectures, readings, and assignments up to and including the lecture on Friday, 30 Sep 2005. (please see the class schedule for exact coverage)

- This exam is entirely pen-and-paper based. You may not use the computers nor any other calculating devices.

- The exam is closed book, however you may prepare in advance *the back of this page* with whatever notes you wish to place on it, and you may use this page during the exam. When the exam is over, turn in this sheet with the rest of your exam.

- Typical questions will include general modeling questions and specific coding questions, including the identification of errors in existing code, simulation of existing code, and creation of small code fragments.
