Sign-up Questionnaire

In order to shape the course for the audience, we hope to get a good picture of the experience of the students in the class. Please fill out the questionnaire below and return it to us. Feel free to give any explanations that will help.

Name: ______________________________

E-mail: ______________________________

Do you have access to the World Wide Web? ______________
(we will put postscript versions of handouts there for viewing/printing)

Major/Program: ______________________________

Year: ______________________________

Why are you taking *this* course? ______________________________

Related courses you have taken: ______________________________

What programming experience do you have? ______________

In what language(s)? ______________________________

What data structures have you seen previously?
(e.g. linked lists, binary trees, priority queues)

____
